**Alpha Gamma Delta Community Service Project  
Benefits the Orlando Chapter of the American Diabetes Association**

ORLANDO, FLORIDA The Orlando Chapter of the American Diabetes Association (ADA) received a donation of 400 glue sticks, 100 pencil cases and folders, 85 notebooks, 50 packs of paper and pencil sharpeners, 200 erasers, 120 sets of markers and colored pencils, 150 highlighters, 500 pens, 75 rulers, 10 protractor sets and binders and 75 folders from members of Alpha Gamma Delta Fraternity who attended their International Convention, July 13-16, 2016, at the Hilton Orlando Bonnet Creek in Orlando, Florida.

More than 700 Alpha Gamma Delta collegiate and alumnae members from across the world attended the biennial Convention. The Alpha Gamma Delta Foundation donated backpacks and members provided school supplies prior to arriving in Orlando as a community service project. The items were given to the ADA to benefit their Safe at School workshops. At the workshops, parents are provided with resources and training modules to help them work with their child's school to create a medically safe learning environment. With the ever-increasing cost of raising a child with diabetes, help with back-to-school supplies is a great way to support the Safe at School workshops.

Stephanie Simpson, Alpha Gamma Delta International Philanthropy Chairman said, "I am so proud of the generous support Alpha Gamma Delta members have given to the Orlando Chapter of the American Diabetes Association. Thanks to our members, these backpacks and school supplies donated will be used by their Safe at School program participants, and will make their lives easier when getting ready to go back to school."
